Substance Abuse Prevention and Control

SUBJECT: **FUNDING REALLOCATION FOR CRI-HELP, INC., COUNTY CONTRACT  
NO. PH-000699**

This is to inform you that the Department of Public Health (DPH) plans to use the delegated authority granted by the Board on June 16, 2009 (Board Agenda Synopsis #35) to implement the adjustments and reallocations provision as found within the contract with Cri-Help, Inc. This provision allows the Director of DPH or his authorized designee to reallocate funds in amounts up to 25 percent of the contract's original budget, or \$100,000, whichever is greater.

DPH is recommending this funding reallocation to enable the agency to maximize contract services and funding. DPH is proposing to adjust the contract as indicated in the following attachments: Attachment 1 is a description of the services to be revised by this amendment and Attachment 2 outlines the agency's current and new proposed funding amounts.

If you have any questions or need additional information, please let me know.

## Drug Court Programs – Description

### ALCOHOL AND DRUG FREE LIVING CENTER (Family Dependency Drug Court)

Alcohol and Drug Free Living Centers (ADFLC's) are housing facilities where clients (including, but not limited to, homeless clients) who are currently participating in a Family Dependency Drug Court program, and who are recovering from alcohol and drug problems, reside. ADFLCs are living environments where the presence of or use of alcohol and drugs, other than prescribed drugs, is prohibited. ADFLCs provide an opportunity for residents who have re-entered or are preparing to re-enter the labor force to pursue their own personal plan for recovery in an alcohol and drug free atmosphere, removed from normal social pressures and temptations to drink alcoholic beverages and abuse drugs. No direct treatment services are provided. However, residents of ADFLCs often function as a mutually self-supportive group, reinforcing each other's efforts to remain alcohol and drug free, and may attend twelve (12)-step groups and other related activities outside the facility. Residents share the responsibility of house maintenance, food purchase and preparation, and development of house rules.

### RESIDENTIAL SERVICES (Family Dependency Drug Court)

Residential services (Family Dependency Drug Court) is a twenty-four (24) hour residential program with a primary population of ambulatory drug abuse clients who are involved in no less than six (6) hours of planned treatment activities per day and are under the supervision of trained staff. This is a counseling modality in which no person is treated for the abuse of drugs by means of administering, furnishing, or prescribing narcotics and/or restricted dangerous drugs.
